- 13 Championship races. Kellidie Races (2 races) are to be sailed back to back.
- All Races count towards Handicap, excluding the Marathon and Commodores Races
- **Learn To Sail:** Junior sailors learn to sail in the mornings before lunch

with training. Beginner sailors receive tuition and training to teach them the basics of skippering a small boat. Particularly aimed at juniors who can then step into opti's, however any adults or larger kids can train in herons/125s.

 - Start 9.30am, finish approx. 11.30am.
- **Opening Day:** Official sail past with handicap race to follow. Yacht Club Start after sail past.
- **Handicap Start:** Beach start, crews holding boats in water. Skippers start on lawn with reverse handicap order, ie. Slowest boat starts first with time between boats determined by current handicap.
 - Start 1.30pm
- **Marathon:** Usual yacht club start with boats completing a much longer than usual race outside the bay. Alternatively may do a race to a pre-determined location, stop for lunch then race back with the first boat to arrive at lunch being the last to leave with the same time difference between competitors.
 - Start 10.30am
- **Commodore's Race:** Two races separated by a lunch break either in the club or a suitable location determined by the commodore. The commodore is also the officer of the day so will set the course and effectively take on the Officer of the Day duties.
 - 1st race 10.30am start
 - 2nd race 1.30pm start
